HOW TO ORDER PRINT VERSIONS OF YOUR MAGAZINES

CLICK ON THE FOLLOWING LINK: <https://copyca.ca/digital-print/magazine-printing>

Please note that your guide is formatted without bleed lines and prints are therefore not available with typical printers. Copy.ca is recommended as it supplied the shop with appropriate samples and can process your file.

Once you land on the magazine print page order form, scroll down to the ORDER SPECIFICATIONS.

NOTE: If you click on the Calculate Item Price bar in the yellow section during your process, make that your specs have not been changed (they usually do), and reset them accordingly before adding to your cart.

We have tested various page specs and found the above to be optimal.
The supplier is located in Montreal near the Côte-des-Neiges Metro station.
You may choose to pick up or have your prints delivered by Purolator.
